The YOKOTA TRAVELOG was assembled as a public service by volunteers for members of the Yokota Air Base community in Tokyo, Japan. The opinions herein do not necessarily represent those of the U.S. government, the Air Force, U.S. Forces Japan, the base itself, the Family Support Center, or the Officers' Spouses' Club. The names of business establishments, tourist attractions and the like do not represent endorsements but are instead references for community residents. Information in this book is intended as encouragement to community members to venture forth and experience new things. We welcome contributions in the form of information, written articles and photographs for future editions. Please send corrections and/or new stories to us via the Relocation Section of the Yokota Family Support Center or the Travelog Committee of the Yokota Officers' Spouses' Club. YOKOTA TRAVELOG

The Yokota Officers' Spouses' Club maintains computer files of the Travelog. Please make note of changes or new attractions you may encounter and send the details to:
